- **Membership Drive**
 - For every new member referred by a current member, the current member will receive a 33% break on their next quarter's dues

We look forward to bringing the Country Club back to the powerful, thriving Golf and Country Club that it once was. And to continue to be the people's choice to play golf and socialize in Chesterfield County and surrounding areas. Thanks again for all you do to continue to help the Country Club grow and thrive. We look forward to seeing you out at the course in the coming months, taking advantage of all of the amenities from being a member of Cheraw Country Club.
